

## Do you...

Like to discover new things?  
Enjoy challenges?  
Have fun with puzzles?  
Get bored easily?

## Are you...

Constantly learning?  
Easily adaptable?  
Ready to be on the cutting  
edge of technology?

*Then come and join the  
Cerro Coso College  
ROBOTICS class!*

# LEGO ROBOTICS PROGRAM

College credit? For playing with LEGOs and making ROBOTS? Of course! You will be learning about robotic engineering while working collaboratively, thinking reflectively, solving interesting problems, and of course, having fun.
